In an effort to better serve our members and create new policies, we ask that you complete this short survey on AKG mini-workshops.

- 1) Are you interested in participating in mini-workshops offered by the AKG?
- 2) It has been suggested that with the support now available from LYS's, the internet, and events such as Stitches South, that possibly the AKG no longer needs to offer mini-workshops. Do you agree?
- 3) What type of workshops would you like to see the AKG offering its members? (i.e. new techniques, pattern tweaking, fair isle)
- 4) Does the location of a workshop factor into your decision to participate?
- 5) What location is convenient for you to participate in an AKG workshop? (i.e. Sandy Springs Library, local yarn shop, member's home)
- 6) For a three hour workshop, what do you feel is a fair fee to charge participants? To pay instructors?
- 7) How often do you feel that AKG should offer workshops?
